

WALP Educational Foundation Scholarship Application

Application Deadline: January 26, 2026

The **WALP Educational Foundation (WEF)** is pleased to announce that the application window for 2026 scholarship opportunities is now open. With the Scholarship Review Committee giving careful consideration to the financial needs of applicants, as well as academic achievement, all students interested in a career in the Landscape Industry are encouraged to apply.

Important Note: Students applying for the scholarship must show they are serious about their future career in the field of horticulture, landscape construction, landscape design, or landscape management. Students must take a minimum of seven (7) credits per quarter (or an equivalent number of credits per semester) in the fields of education described above.
